NEW

DICHRO GALAXY II

- *WOW*
- The exterior is fused dichroic on black glass, encased in clear, and beautifully slumped
- Tapered two-mirror system creating perfect 15-point images
- Object cell contains 95% dichroic glass ... all dry (fused, lampworked, and handcut)
- Stands 10 inches tall and weighs almost 3 pounds
- Edition of three ... \$1,500
- *WOW again*
